

FOR IMMEDIATE RELEASE

InterMicro, LLC is Top 5 2008-2009 Open Systems, Inc. Partner

July 7, 2009 – InterMicro, LLC has been named a Top 5 partner selling Open Systems software products in the United States. Based in Greenville, SC, InterMicro was recently honored for outstanding sales performance at the 2009 Open Systems Partners in Profit Conference in Las Vegas. The award was presented to Scott Buckelew, Vice-President of InterMicro.

“This is the third straight year that we are recognizing InterMicro with this award,” said Open Systems VP of Sales Paul Lundquist. “They have also been a Top 25 partner for the last ten years. Jim Robinson, Scott Buckelew and their team have consistently provided excellent service to their customers. In a tough economy, they remain positive and continue to work hard, and it results in outstanding sales and satisfied customers.”

“We knew this was going to be a challenging year and focused on strategies that would help us maintain and grow our business,” says Jim Robinson. “I am grateful to our team that has worked very hard, to Open Systems for giving us creative deals, and to our customers for choosing us to be their solutions partner.”

The Open Systems Partners in Profit Conference offers valuable networking opportunities, as well as educational sessions and exhibits for individual vertical products. The awards banquet was held at the South Point Hotel in Las Vegas.

About InterMicro

Since 1993, InterMicro has successfully delivered solutions that offer great value and the ability to accommodate significant growth for their clients. InterMicro has locations in Greenville, South Carolina as well as Edmond, Oklahoma to service the Eastern and Central U.S. InterMicro also utilizes state of the art remote access support tools to provide exceptional support services worldwide. A premier Open Systems partner offering both TRAVERSE and OSAS, InterMicro provides affordable, feature-rich, customizable solutions to a wide range of businesses.

About Open Systems, Inc.
